Awilda Hamilton

For our April meeting, we return to highlighting another organization we support and how it benefits from our contributions to render invaluable services to the Flagler area community. The **Flagler Humane Society** (FHS) was founded in 1980 and our speaker, Amy Carotenuto became its director in 1992. Flagler Humane Society opened one of the first pet friendly disaster shelters in the United States back in the 1998 wildfires. Since then, FHS continues to set up evacuation sites with every disaster. Today, FHS hosts an educational pod cast, a pet food pantry, a thriving wellness clinic, summer camp, a transfer program to help animals from less fortunate shelters and more.

“An animal’s eyes have the power to speak a great language”.
– **Martin Buber**

Health and Wellness

Health and Wellness Chair, Adele Large

Thank you for all your generosity with all the donations throughout the year. We will have donations at the April and May meetings.

The staff and volunteers at Alpha Women's Center were overwhelmed with our support. Also special thanks to Terri Belletto who helped our efforts by organizing a drive at the free clinic and Laurie Harrison who delivered a carload of donations from the clinic to Ann Roffman's house.

Laurie Harrison, one of our members, is pharmacist at Flagler Free Clinic and maintains a med room for Terri. The clinic would be thrilled to partner with GHWC in repurposing unused medications and health care items. Items include IN-DATE over the counter items like vitamins, bandaids, creams, ointments and pain medication. NON-CONTROLLED prescription meds in their original bottles with expiration date intact such as blood pressure meds and injectables such as insulin. Expired items and anything improperly stored cannot be accepted. Laurie suggests people call her with questions or to plan drop offs. Please remember to call before dropping off items. Laurie Harrison R.Ph: 518-593-5396, mimabear777@gmail.com, 107 South Lake Dr.

Flagler Volunteer Services rummage sale May 17, 8-3 and May 18, 8-1 at Flagler Fairgrounds, Cattleman's Hall. We will collect donations at the April meeting.

Grand Haven Woman's Club

Environment Committee

Environment Chair, Beth Wald

The Grand Haven Woman's Club responded to the call when Flagler Humane Society found itself with a dozen dogs rescued from a Putnam County hoarding situation. We collected \$620 in monetary contributions and about \$700 in In-Kind donations of pet food, treats, leashes and other supplies! A big "Thank You" goes out to all who responded in this special time of need for our local shelter.

The Environment Committee conducted another terrific trip to the University of Florida Whitney Lab Sea Turtle Hospital on March 20th. Whitney Lab Interim Assistant Development Director Ellie Padgett and Sea Turtle Program Manager Catherine "Cat" Eastman discussed the mission of Whitney Lab and introduced us to several lab residents. They explained how knowledge gained from the research conducted on marine animals and the study of fundamental problems in biology can be applied to issues of human health, natural resources, and the environment.

The Environment and Social Committees are planning a visit to the St Augustine Wild Reserve on Wednesday, April 10th. The visit promises to be fun and educational, with time spent getting to know lions, tigers, panthers, wolves and bears, to name a few of the Reserve's residents.

We'll be supporting Washington Oaks Garden State Park's Earth Day Celebration on Saturday, April 20th. Volunteers are needed to help primarily in the Kids' Zone and at the front gate. Park Services Specialist Shannon Rambow is requesting that volunteers sign up for morning shift, 9:00am-12:00pm or afternoon shift, 12:00 p.m. – 3:00 p.m. Please e-mail Beth Wald at beth.s.wald.ret@gmail.com if you'd like to volunteer and state your shift preference.

Remember, if you see a sea turtle in distress, call Florida Fish and Wildlife at 888-404-3922. If you see injured or baby wildlife in need, please contact Palm Coast resident Ms. Courtney Johnston, 386-569-8844, a certified wildlife rehabilitator.

Grand Haven Woman's Club

Meet Our New Members!

GHWC Membership Co-Chair Cheryl Dresnok

I was so pleased to introduce three new members at last month's Woman's Club meeting! Those three members are: Jamie Mahan, Kristina Bracciale, and Anita Biggers. I am happy to tell you all about these ladies today!

Jamie Mahan shared a big surprise with me – her real name is Jimmie Ann! Jamie explained, “I was born in the South in the days when parents were naming their little girls after their father and then adding a feminine name to go with it – like Bobbie Sue and Billy Jo.” She said when she had to fill out documents calling for first name and middle initial, it got too confusing, so she changed her name to Jamie to eliminate gender confusion.

Jamie lives in the Marsh Crossing neighborhood and has lived there full-time since 2008. She was married to Chuck for her whole adult life until he passed away last May from Parkinson's disease. Chuck was in the military for 35 years and Jamie said, “We moved 23 times. Chuck's last assignment was at the Pentagon so we lived at Fort Myer in Arlington VA, then we moved to Texas after he retired.” Then the Mahans moved to Florida. “Chuck and I are native Floridians and we always knew we wanted to end up in Florida near the coast. My husband was an avid golfer, plus we wanted to help take care of his elderly parents.”

Jamie lives alone now but both of her children live in Florida, 2-3 hours away “which is a blessing”, she said. Jamie loves going on walks, reading, cooking, and visiting with her grandkids. She added “I especially appreciate that this county has worked so hard to provide nice parks and walkways and trails for the community.” Jamie would like her neighbors to know she and Chuck thoroughly enjoyed their time in the military, especially living in Colombia, where they adopted their daughter. Welcome Jamie!

Kristina Bracciale moved to Grand Haven with her husband Dan and her cat named Sophie about a year and a half ago. They moved to River Trail Drive after living in Marlborough, MA for nearly 40 years. Kristina said, “We love it here!” In her former life, Kristina worked for 39 years for GBH in Boston, the PBS flagship station. She said, “I worked at the Massachusetts State House for many years, producing television coverage of the House and Senate. More recently, I worked for many more years in the fundraising department on TV and Radio, our NPR station.”

Meet Our New Members cont.

After living and working in Massachusetts for 40 years, what made you move to Florida? Kristina said, “We wanted to be near the ocean and closer to our daughter and grandkids in Orlando.” Kristina’s favorite things to do in Grand Haven are “walk on the esplanade, pickleball, Zumba, Pilates, video club dinners, bocce, everything this wonderful place has to offer!”

I had to ask – is there anything here that bugs you? “I wish we had nicer stores,” Kristina said. “Better choices for grocery stores, more boutique and unique stores. I’m shocked more stores don’t move in with such potential for revenue here.” She added, “I am disappointed that Palm Coast doesn’t have a ‘soul.’ The city was so poorly thought out that it’s hard to feel connected. The library is so far away from city hall, the tax collector’s office is in a totally different direction. We were used to New England and a small town feel. We do miss that, but I do love everything else about living here!”

Kristina would like her neighbors to know “I love to learn things about other people!” Welcome Kristina!

Anita Biggers moved to Grand Haven four years ago with her husband Steve. They moved here from Marietta, GA, a town that is just north of Atlanta. She owned a sales and marketing firm based in Atlanta called Anita & Associates, Inc.

Anita fell under the spell of our area like so many other people when deciding where to live. She said, “I was attracted to Palm Coast’s weather and Grand Haven’s beauty and activities.”

Her favorite things to do here? Anita said, “Everything! We love the weather and being outside. GOLF!” She added, “I am very happy to be a member of such an active, worthwhile organization.” Welcome Anita!

APRIL MEETING NEWS

Be sure and mark your calendar for our April 22nd meeting. AdventHealth Foundation Director, John Subers and another hospital staff member will attend our "working" meeting to see the Material Girls in action. John would like to express his appreciation for all that the Material Girls do in supporting both of our Palm Coast hospitals. We may even try to get John to stuff a pillow or two.

SPRING MEETING HAPPENINGS

Happy Spring! Looking forward to seeing folks at the April meeting. We will be stuffing and hand-stitching pillows and bears. I also have some completed seatbelt tie port pillows that were requested by AdventHealth this past week. These pillows protect port sites of patients when they tie them on their car seatbelts. These little projects are great for using up our scrap fabric. See you soon!
