

PROCEDURE NAME: Disbursement Procedure

EFFECTIVE DATE: August, 2024

Objective:

The purpose of this procedure is to communicate to all GHWC members the overall process that should be followed in order to be reimbursed for expenses incurred while doing club business or for payment to a vendor for services rendered. All invoices that are submitted to the Treasurer for reimbursement or payment must be for expenses that have been covered or included in the current approved budget. Any invoices for unbudgeted items will be submitted to the Board for approval prior to reimbursement.
