## FEBRUARY 2026 NEWSLETTER

### President's Update

*Awilda Hamilton*

**LOVE** is in the air and spreading throughout our community! Recently, one of our members, Fran Anderson, shared that she frequently receives expressions of appreciation during her Neighbor-to-Neighbor visits and when distributing welcome materials.

Because individual feedback is not always forwarded to our coordinators, Sally Nord and Ruth Krauthamer, we would like to send them a well-deserved "shout out." Along with our neighborhood ambassadors, they work diligently to ensure everyone moving into Grand Haven feels welcomed and informed about the many opportunities to participate in our community.

Fran noted that "Sally and Ruth do an amazing job assigning and keeping tabs on the large number of new residents" and that "the program sets a tone for new residents in each village and reflects GHWC's active involvement and care for newcomers."

Thank you, Fran, for highlighting the importance of this Standing Committee. **KUDOS** to everyone for demonstrating a caring spirit toward one another and the broader Palm Coast community

### Flagler Humane Society Field Trip

On January 21st a number of us took the opportunity to go to the Flagler Humane Society (FHS) for a presentation and tour given by the director, Amy Carotenuto. Ms. Carotenuto shared that the shelter is very successful with their adoptions as well as reuniting owners with microchipped pets. She also shared many ways FHS works to help animals that come to the shelter. They offer low cost veterinary treatment, shot clinics on Saturdays and mani/pedi day on Mondays. Amy shared a photo of a bubble they use for the cats that aren't too excited about having their claws trimmed. The bubble keeps the groomer from being bitten.

The shelter partners with the local library to sponsor a program where owners with their well behaved dogs go weekly to the library to listen to children read. They also partner with the Sheriff's Office with a program where female inmates feed kittens and male inmates construct dog shelters.

The Thrift Store located directly across Palm Coast Parkway from the Advent Hospital provides a large piece of their funding. Keep this fact in mind if you have items to donate or want to search for low cost quality items for your needs. A wonderful story came from our visit. GHWC member, Marie Lanier's dog Pepper passed in April 2025. Marie felt strongly that it was time to adopt again and envisioned a small black dog. She found her new family member Pepe on our tour. As you can see, Pepe is a small black dog that is three years old!

## EXTRA, EXTRA - DAY OF GAMES BIG SUCCESS!

This past January the Grand Haven Woman's Club celebrated its 20th Day of Games anniversary. As I mentioned in a previous newsletter, the Days of Games was started by Gloria Sanchez, in 2005, she and her committee put together a

fun day of games, earning \$1700 for the club. On her committee was Lucy Crowley; at this Day of Games, we honored Lucy with a lovely bouquet of flowers and a **BIG THANK YOU** for her dedication to the club and the games. **Thank you, Lucy!**

This year the games were held at the Palm Coast Community Center, where 132 gamers came out for some laughs, prizes, dice, tiles, cards and whatever you can play on a tabletop. There was a wonderful array of delicious sandwiches, and decadent desserts throughout the day. And a special thank you to all the bakers who made over 800 cookies and cupcakes.

As the Fundraising Chair I want to thank Jacki, Jenny, their committee and all the volunteers on such an amazing job organizing and executing this fundraising event. This was the first Day of Games that I attended and I can't say or praise enough about how well everyone worked together and the joy I felt in the room. With Jacki and Jenny's leadership they brought this event together and ended on a very high note. Congratulations to all on a job well done! They already have volunteers lining up for next year's Day of Games. That's how much fun everyone had!

\*Recap of the day from Jacki:

*"Anticipating Net Profit, after expenses - \$12,000 +*

## Grand Haven Woman's Club

*We may be missing a receipt or two, so this may be a few hundred high - but this is a phenomenal result! Of course, the sponsors that Maureen, Patti and their team helped make this so big - \$3,100 in cash sponsorships is totally new to Day of Games. But those baskets that Carol and Marcie put together, with the incredible donations of gift cards, items, experiences from our members and sponsors, brought in \$2,250!!! The Share Share brought us \$745, the Friends revenue was \$180, the Silent Auction was \$350 (another new addition to our day), and various kind souls gave us another \$180 in plain donations!"*

I also want to share some of the guests' comments Jacki and Jenny received:

***"WOW! What an unbelievable result. The entire day from beginning to end just seemed to flow effortlessly. There was no chaos or drama. Everyone was happy. I thought the venue was perfect with lots of room to move about. The abundance of help/volunteers was amazing and everyone worked so well together..." - Marcie***

*"What a success! This was my first Day of Games and as a new volunteer I would like to say this event was very well organized! - Renee*

*"Best Day of Games ever! That's what I heard from everybody yesterday. It was great to honor Lucy as you did... The dessert table was very impressive, thanks to the donors, I loved the addition of the loop showing our sponsors and I pointed it out to several people. Considering the financial success, it looks like we'll be doing it again next year! Any volunteers???" - Gail*

Twenty years ago, Gloria had a vision and the first Day of Games was born and netted \$1700 for the Grand Haven Woman's Club. Now 20 years later the event brought in over \$12,000. With this intake of donations, we can help the community so much more than anticipated and that is what it's about, helping the community and one another.

Thank you  
everyone for  
supporting the  
Woman's Club  
so generously  
with your time  
and money.

We can't do it  
without **YOU!**

### Line Dancing: Origins, Evolution, and Modern Favorites

*Web Reference from: Oct 27, 2023 Karaoke With Juanita*

**Ancient Roots:** Line dancing has ancient roots in folk dances from various parts of the world. In the British Isles, for instance, traditional folk dances often featured dancers standing in lines and performing coordinated movements. These early line dances were simple and community-oriented, and they laid the foundation for the modern form of dance.

**African and Native American Influences:** African and Native American dance traditions also played a significant role in the development of line dancing. African dances often involve group formations, with dancers moving in unison. Similarly, Native American tribes had their own line dances, which were integral to their cultural and social rituals.

**European Set Dances:** In Europe, set dances, where dancers lined up in rows or circles, became popular in the 17th and 18th centuries. These dances often had precise steps and formations and were an integral part of social gatherings and events.

**Country and Western Line Dancing:** The modern form of line dancing that most people are familiar with today can be attributed to the country and western dance culture of the United States. This genre of line dancing gained immense popularity in the mid-20th century and was heavily influenced by country and western music.

#### Popular Line Dances Today

Line dancing remains a vibrant and beloved dance style, with many classic and contemporary line dances that continue to captivate dancers. Here are a few of the most popular line dances today:

- **The Electric Slide:** This iconic line dance is known for its catchy song and simple steps. It's a staple at many weddings, parties, and social gatherings.
- **Achy Breaky Heart:** Made famous by Billy Ray Cyrus, this line dance features a catchy country tune and a distinctive set of steps.
- **Cupid Shuffle:** A contemporary line dance set to upbeat hip-hop music, the Cupid Shuffle is a favorite at clubs and parties.
- **Wobble:** This energetic line dance is set to hip-hop and R&B music, featuring a fun and lively set of moves.
- **Boot Scootin' Boogie:** A classic country line dance, Boot Scootin' Boogie is a timeless favorite at country bars and honky-tonks.

Get your tickets to **Denim and Diamonds** and come out and have some Boot Scootin' fun **on March 21, 2026**, and don't forget to wear your Denim and Diamonds!

## Last Minute Thoughts!

I just recently went on a Celebrity 4-day cruise to Key West and their private island. My husband and I reserved the Retreat Suites and talk about being pampered. We had the 24/7 Butler & concierge service, dedicated Retreat restaurant, spa area and much more.

If you have never treated yourself to a little bit of luxury when cruising I recommend doing so with our GHWC MSC Cruise in April. Not only will you experience a relaxing, spoiling trip, but you will be helping support GHWC with your reservation. If their Yacht Club package is anything like Celebrity Retreat you can't go wrong and you won't go back to regular cruising.
