2023 MEETING DATES 1 p.m.

Monday, October 23, 2023

Tuesday, November 14, 2023

Thursday, December 14, 2023

September and 2024 dates to be determined at a later time.

Projects Planned for the Fall

The Material Girls will be working on quilts this Fall after a bountiful donation of colorful fabric was received this May. We hope to have a group effort with everyone tying quilts at some of our Fall meetings. **DO NOT BE INTIMIDATED.** If you can tie your shoe laces, you can tie a knot on a quilt!

Ladies we did it! Another successful year of making and giving to those in our community. From babies, to children, to those facing health concerns and domestic abuse. WE ARE touching our neighbors. Thank you for making this all possible! From making things at home to stuffing/sewing items at our monthly meetings, donating items to collecting fabric/yarn from neighbors trying to “pair-down” their stashes. Each and every one of you make the Material Girl’s efforts successful.

Pre-K teacher Jane Ziolkowski receiving mini origami bags and books at Bunnell Elementary school.

Bunnell Pre-K Receives Bag of Books!

Ms. Ziolkowski for the second year in a row was the happy recipient of mini origami bags made by the Material Girls. Students received bags and donated books by the MG’s and Scholastic books Ms. Ziolkowski has been collecting throughout the year.

As a special treat, after Lucie and I gifted the bags and books to Ms. Ziolkowski Lucie read to the class of twenty.

“CHRISTMAS COME TRUE” STOCKINGS STARTED FOR CHRISTMAS 2023

It is never too early to start work on the “Christmas Come True” stockings for children and young adults. Many of you have started working on the stockings for next Christmas and some of you are sewing them this summer. Thank you to all you wonderful elves! The recipients of these stockings are always very appreciative of receiving much needed items in our handmade stockings.

Thank you to everyone who has started work on the Christmas 2023 stockings. Preparing stockings before December allows us to not rush to make stockings during the busy holiday season.

Women, Infants and Children (WIC) Florida Department of Health are always thrilled when Lucie drops of blankets, quilts, baby hats, bibs and bears for the babies and children who visit WIC.

Lucie and I hope that each and everyone of you have a glorious, fun-filled, and exciting summer. Take a break from your normal routine and try doing something a little different this summer.

Happy summer!
