Michelle's house, 15 Sand Pine Dr.

Tuesday, March 21st, 2023

To be determined.

Thursday, April 20th, 2023

Lucie's house, 21 Deerfield Ct.

Monday, May 8th, 2023

Michelle's house, 15 Sand Pine Dr.

(Final 2022-2023 meeting)

KUDOS

A whopping forty-five tie chemo pillows were stuffed, sewn and delivered to the hospital after the November Material Girl's meeting. Great job ladies! That doesn't include all the abdominal pillows and bears that were stuffed. At the December meeting we will finish sewing closed the abdominal pillows and bears.

PROJECTS FOR THE NEW YEAR

In preparation for a Women's Club Boggy Creek guest speaker in 2023 we will be making a few 3-D stuffed bears and crocheted/knitted afghan blankets. These bears and blankets go home with campers after attending Camp Boggy Creek. Camp Boggy Creek located near Orlando, makes it possible for children with serious illnesses (ages 7-16) and their families to have a great camp experience. Camp Boggy Creek offers horseback riding, water activities, miniature golf, fishing, crafts, music and all kinds of camp fun in a safe, medically supervised environment.

Anyone interested in sewing a Boggy Bear contact Lucie or Michelle for a pattern and instructions. These bears are a little more challenging to make. Sewing an initial bear in flannel is suggested.

The crocheted and knitted afghan for the children can be any pattern with **35-40 inches wide** by **40-50 inches long**. Afghanes should be lighter weight.

Fabric and yarn will be available for pick-up at the December 29th meeting for both projects.

BLESSINGS TO YOU AND YOUR FAMILIES

Thank you to all of you who stitched a stitch, stuffed, cut or even if you just joined us for a Material Girl's meeting this past year. Each and everyone of you make our lives richer and for this we are so very thankful. May you all have a wonderful season of joy and laughter.

With best wishes and looking forward to seeing you all on December 29th.
