April Wrap-Up

Ladies things are beginning to wind down before the summer months. At the April meeting we will continue to stuff bears as well as abdominal & tie pillows. Quite a few of you have asked if we are continuing with our afghan efforts. Absolutely! Please continue making afghans and crocheted/knitted squares. All completed throws will be delivered to the cancer center or to WIC.

Even though we take a summer break it is nice to get ahead of the schedule for the next year. It's so nice to come back in the Fall with Christmas stockings completed and sewn items ready to be stuffed with no deadlines. If you are able and would like to do any mending or sewing this summer just contact Lucie or Michelle. Thank you for all that you do and know that WE are making a difference in our community.

YARN-ON!

Thirty mini radiation pillows were delivered to AdventHealth in March. These pillows will be used for radiation treatment for breast cancer patients.
