## April Agenda

This Monday join us for stuffing and bow sewing of bears for donation to the Flagler County WIC program. Yarn and patterns will also be available at the next meeting for anyone who needs supplies or inspiration! We also have a limited number of donated knitting needles and crochet hooks that need good homes.

## Classes

Is anyone interested in crochet or knitting classes? Maybe you know how to knit and you have been dying to learn how to crochet or maybe you crochet and you would love to learn how to knit? Let us know. No plans yet of what these classes will look like but we are giving a shout out to see if anyone is interested. Contact Lucie or Michelle if you or a neighbor would be interested in learning a new skill.

## News for 2022-23

We've contacted Nadine King from the Christmas Come True foundation. As many of you are aware the Material Girls provided 550 stockings to this county initiative to better the lives of underprivileged children in Flagler County. After discussing the possibility of providing additional stockings for next Christmas it was decided that the Material Girls will make 100 stockings. Nadine interviews the parents of children receiving these filled stockings each year. Returning families will be asked to bring stockings they received this past Christmas to be re-filled. The additional stockings we provide will replace stockings for new children added to the program and for stockings lost in moves.
