PALM COAST, FL

President's Message

As the summer of 2021 comes to a close, I hope each of you had a great summer! I know that John and I thoroughly enjoyed our time at our home in Western Maryland. Our summer at the

Connect...and Make a Difference

lake has been full of golf, boating and spending time with friends. I look forward to returning to Palm Coast and reconnecting with friends and our community.

The Board of Directors have been busy planning up-coming events for our club this year. Each of our CSP's will have detailed information regarding events and opportunities for you to participate in a variety of events in the newsletter and website. The fund-raising committee is in high gear with many events to participate in throughout the year. I encourage you to check out our website <u>www.ghwomansclub.org</u> and get all the up to the minute information about our club.

The Annual Giving Campaign will start in October. Last year, our membership contributed over \$12000 in monetary donations. This money was able to provide much needed financial assistance to numerous agencies throughout Flagler County. I hope that our club can surpass this amount and continue to support those in need within our community.

I want to thank the Board of Directors for their support and guidance this past year. It was an amazing year despite the pandemic. The leaders of this club stepped up to the challenge and surpassed all expectations. I look forward to this up-coming year. There are some new events that I know you will be excited to participate: 16 Year Celebration Gala and the Art Auction!!

Education and Libraries

One of the GHWC's goals is to work closely with the Flagler Education Foundation to promote literacy and help serve the students in our city with every opportunity to succeed. Over the summer the GHWC provided the teachers at Flagler Palm Coast High School with a breakfast as they worked diligently to educate students that lost so much during the past year. This year we will continue with our **Stuff the Bus** program with school supplies, socks, jeans and monetary donations. These donations will be accepted on the third Tuesday of every month in the parking lot of the Grand Haven Golf Club. Please look for reminders from the GHWC. Another major program of the GHWC is **Take Stock in Children**. This program is a statewide mentoring program that matches up a volunteer with a low income/high risk student to encourage and support all opportunities available. We also hope to continue with our scholarship program, Book Fair and School Tours. Anyone interested in joining this partnership with education can contact me at squeetie49@aol.com.

The Giving Store allows local children in kindergarten through 5th grade the opportunity to select Holiday gifts free of charge for each member of his/her household. The goal has always been to teach these children the "Joy of Giving" during the holiday season. When you know of a member who has had surgery, experienced illness or a death in the family, a card will be mailed to her on behalf of all the GHWC members. In the event of the death of a member or former member, GHWC will send a \$100 donation in the name of the decedent to a charity that has been designated by the family. If no charity is designated by the family, the Club will send a \$100 donation to one of the organizations currently supported by the GHWC, in memory of the deceased.

All you have to do is notify me with the information via email or phone call. <u>peggyas1950@gmail.com</u> or 986-1745. Thanks for being a Gem of a Friend.

Neighbor to Neighbor (N2N)

We would like to thank our Neighbor-to-Neighbor (N2N) Ambassadors who have done an outstanding job this year in spite of the challenges of Covid. In 2020 we welcomed 125 new neighbors, and so far in 2021, we have made contact with 87 new Grand Haven residents. For

those of you who are not familiar with the program, N2N is a welcoming program for new Grand Haven residents. New neighbors are contacted by an email from an Ambassador, and then a packet containing useful information is delivered. This year, due to Covid, these deliveries have generally been done outdoors with a driveway chat. The N2N program can always use more Ambassadors, and we would love to have any of you join the team. There are some Villages with no Ambassadors, so we greatly need some volunteers from these neighborhoods. The Villages with no Ambassadors are The Reserves, Hidden Lake, Heritage Oaks, South Ridge, and the Condo's. Being an N2N Ambassador is not a huge time commitment and it is a wonderful way to meet your neighbors. If you are interested in joining the program or would like further information, please contact one of us.

Environment

Hello All

Happy Fall. Although , since I'm living here in Florida , the months and seasons all seem to blend together.

Our Environment Gals have been busy fundraising for The Flagler Humane Society and all of you can help us as well in a few ways.

First, the shelter is always in need of canned dog food of any variety. It would be so appreciated if everyone can contribute even a couple of cans. Food can be dropped off outside my door at 3 N. Park Circle anytime!!

Second, if you are a crafty gal, the shelter is looking for donations of your homemade holiday wreaths or centerpieces for their fund raiser sale which will take place mid November. If you're feeling creative, please bring your completed holiday craft to the Humane Society located at 1 Shelter Drive by Nov. 5 th. If you can't get to the shelter, I'd be happy to bring it for you. Just text or call me at 631-457-3271 to let me know you'll be dropping your wreath or centerpiece off to me at the address above.

The Environment Committee is gathering in early October to create holiday themed decorated wine bottles for the shelter sale as well. (We can use some of your empty clear colored glass

wine bottles should you happen to have any). We would need them prior to October 5th. Again, these can be left at my door anytime. Thanks in advance and don't worry what my neighbors will think when they see empty bottles at my door....I've seen their recycling containers on Thursdays ! Lol.

Another fundraiser our Committee is involved with at the shelter is collecting financial donations to defray the cost of shelter art supplies for their Paint Pouring class to be held in late January. This will be the second time the shelter is having this event. Last Spring's class was an immense financial success due to our GHWC covering the entire cost of the class supplies. If you'd like to help , your check in any amount would be so helpful. Please write your check out to The Flagler Humane Society, and please write "Art Supplies " on the memo line. Your check can be dropped off at my home. Just please put it in a zip lock bag under my mat if I'm not at home.

And last but certainly by no means last, we are again participating in our "Tattered Flag Project". If you, family or friends have old tattered or faded American Flags, we will be gathering them to be brought to the VFW for proper disposal at the end of November. Please call or text me at the number above to let me know you'll be dropping off your flags.

My thanks to all of you for your support. May God Bless you all and protect and bless America.

Fondly,

Marie Lanier

Civic Engagement

Below is a list of upcoming activities supported by volunteers of the Civic Engagement Committee:

September 18 @ 10 am in-person at the Community Center. Masks requested.

The Palm Coast Historical Society in cooperation with the Sons of the American Revolution will host **Judge Andrea Totten** in recognition of Constitution Day, officially celebrated on September 17 each year. This holiday commemorates the day in 1787 when delegates to the Constitutional Convention signed the document in Philadelphia. Judge Totten will discuss **Amendment VIII** which is intended to provide protection against excessive bail and punishments.

October 25 @ 3:30 pm at the Palm Harbor Golf Course.

The Palm Coast Historical Society is celebrating the **50th Anniversary** of Palm Coast's first golf course now called **Palm Harbor** with a **Nine & Dine** golf event. The course's designer, Bill Amick, will share stories about the course's creation. Participation is limited to 50 players. The cost is \$50 per person. To register go to www.palmcoasthistory.org.

October 29 @ 10 am at the PCHS Museum in Holland Park.

In recognition of **Founder's Day**, the Historical Society will unveil a specially commissioned **mural** portraying the history of Palm Coast. The mural will be dedicated in memory of Mayor Jon Netts.

Efforts are ongoing to purchase, relocate, and renovate the **1917 Seventh Day Adventist Church** associated with **Bunnell Suffragist Alice Scott Abbott**. The goal is to transform the building into a **Women's Voting Rights museum**. Donations are being accepted to help move this project forward. Please visit <u>www.flaglercountyhistoricalsociety.com</u> for more information.

Our goal is to sponsor the **Holiday Cards For Troops** campaign again this year. Stay tuned for further details.

Budget

Attached please find the GHWC 2021-22 Proposed Budget, which will require the approval of the membership at the September 20 Zoom meeting. I would like to thank the members of the Budget Committee for their diligence over the last 18 months, as we navigated how to budget in a pandemic.

With the generosity of the members in the Annual Gift Campaign and those events that we were able to conduct, last year we were able to award contributions over \$32,000 to those organizations in need, many serving clients affected by COVID.

If you have any questions about the proposed budget, please contact me directly so that we can ensure all members are informed prior to the Zoom meeting, in the interest of time on that call. You can contact me at <u>ncarlton102@aol.com</u> or call me at 447-5536.

Thanks. Nancy Carlton
