STUFFING PARTY!!!

The next Material Girls' meeting on September 26th will include stuffing chemo and abdominal pillows. These completed pillows will be stored in the AdventHealth donation center for distribution to the cancer and same day abdominal surgery center. We also have a stack of bears that need to be stuffed and bow tied. Bears will go to the hospital and (WIC) Women, Infants and Children Department of Health.

DONATION DROP OFF

What a great September start to the new year. This month 221 dog bandanas, 3 chemo blankets, 6 chemo hats, 3 tie chemo pillows and 15 abdominal surgery pillows have been delivered.

The bulk of dog bandanas have now been completed for the Pink 1-mile Pet-Friendly Fun Walk. This AdventHealth Palm Coast sponsored event is taking place on Sunday, October 9th. Each registered pet will receive a Pink Bandana, compliments of the Grand Haven Material Girls. Proceeds from this event will assist cancer related education, materials, cancer diagnostic testing and early detection. On-line registration can be found at: PinkOnParade.com/PalmCoast

Hope to see you on the 26th.
