October 2026

We are once again this year inviting you to join the ***Circle of Philanthropy*** and be part of the solution to meet the community's needs.

In 2018, GHWC began its Annual Gift Campaign replacing monthly raffles at meetings. It was also a way of providing members with an opportunity to support the GHWC mission if they were unable to attend the Club's fundraising events. This opportunity has enabled GHWC to make a significant **impact** on helping those in need in Flagler County.

The generosity of our members has enabled us to help feed thousands in Flagler County through the Grace Food Pantry, Our Father's Table and St. Vincent de Paul. It has allowed us to provide funds to the Flagler Free Clinic to help the medically underserved. GHWC has long supported the Family Life Center; and our generosity has allowed them to help additional families in crisis.

This ***Circle of Philanthropy*** has allowed GHWC to continue to support education through scholarships for graduating seniors. We have continued to support the Take Stock in Children mentoring program, as well as the STUFF Bus. Through a program called Kids Rock the Nation, our club has provided funds to purchase musical equipment for students who would otherwise be unable to afford them.

We offer financial support to the Flagler Humane Society to provide care and supplies to the pets left by owners who can no longer care for them. We are involved with and support our State Parks, Washington Oaks and Gamble Rogers. Over the last two years, we have become involved with the Whitney Lab program which exposes elementary school children to the marine life around them.

We are coming to you again this year to invite you to make your tax-deductible contribution and help us meet our **$15,000 goal.** This will enable GHWC to continue to have an **impact** on those in need in our community. You can send your contribution made payable to GHWC to the address listed above.

You may also make your contribution on-line by clicking the **Donate** button above.

Your contribution is appreciated and you can take pride in being part of the solution to meeting the needs of the underserved in Flagler County.

Sincerely,

Gail Naworal, President
